MEMORANDUM FOR: Audit Liaison Officer

SUBJECT : Contract No. HF-JC-911

1. Reference is made to Contract No. HF-JC-911 with the Eastman Kodak Company, Rochester, N.Y.
2. All work has been completed under this contract, however, the Contractor has not submitted its final voucher or release since final overhead rates have not been determined. (See Audit Report #280). The contractor has indicated its willingness to negotiate final rates with the Contracting Officer for the purpose of closing-out the contract. It is requested, therefore, that the final cost audit and property audit be made under this contract. Your recommendation as to the reasonableness of final overhead rates to be proposed by the Contractor is also requested.
3. The Contractor was authorized to enter into a CPTF construction contract with The Austin Company, Cleveland, Ohio, for performance of a substantial portion of the contract work. It is also requested that a cost audit be made of The Austin Company's subcontract.
4. The Contractor has submitted a list of Contractor acquired property which it states has been installed at the work sites. In addition, the subcontractor, Austin, has stated that there were no materials or supplies or equipment remaining upon completion of the work and that all materials, supplies and equipment were incorporated into the structures. The cognizant activity, FOG, has been requested to verify these statements and to advise whether or not any GFP was supplied the Contractor. You will be advised further with regard to this property data.
5. All work and services required under Contract HF-JC-911 has been completed and accepted on behalf of the Government.
